Welcome to Cape Lavender - creators of handcrafted, natural lavender and essential oil products

For centuries people have used lavender to relax, soothe and heal. Ancient medical texts extol its healing powers and today's chemists and scientists have confirmed conclusive evidence to support their beliefs. Lavender promotes beauty, health and well-being through most of the body's senses; Sight, Touch, Taste and Smell.

Of all the essential oils, lavender is the most versatile and one of the only essential oils that can be used un-diluted on the skin. This gentleness makes it ideal and completely safe for babies, children and pregnant mothers. All-natural lavender products can moisturise, cleanse and protect a baby's skin whilst their soothing properties can also be beneficial and calming for a new mother and baby. Lavender is widely used in aromatherapy to ease tension, tiredness and lethargy and its gentle yet powerful healing properties allow it to be used for a wide variety of treatments.

We stock the full range of Cape Lavender's totally natural products and produce, hand made in Margaret River, Western Australia, as well as beautiful lavender themed gifts for health, harmony and healing.

Testimonials

"I feel compelled to write and tell you how impressed I was with Cape Lavender. Everything was perfect ... the presentation, the service, the price, the value for money etc etc. Congratulations and thank you"

Jacquie W, WA

"I purchased a jar of your lavender face cream and may I tell you how beautiful it is. I am chemically sensitive and suffer from scleroderma and have tried just about every product on the market. Your face cream is the only product that softens my hardened skin and yet also helps relieve the redness. It is even OK for me to use around the eye area. I can tell you this face cream is the best product I have ever used and I will recommend it to the scleroderma foundation in Australia and USA"

Leanne P, SA

"One of my customers suffered very bad burns in a car accident about 4 years ago. She still experiences discomfort and tightening of the skin and says the only thing that helps is Cape Lavender Bath Oil. So thanks for getting the order to us so quickly"

Be Tempted, WA

"My young son has a long term hip disease and I tried Cape Lavender Arthritic Balm. He now uses it every night as he feels it really helps him"

Kathleen M, VIC

"I have had terrible trouble sleeping for most of my adult life. I am now 68 and last year someone recommended Cape Lavender's Sleep Balm to me. What a revelation! I now sleep right through and don't know how I ever managed without it! Thank you!"

Margaret L, NSW

"I have suffered from dreadful arthritic pains in my hands for years. Cape Lavender's Arthritic Balm is the only thing to give me any relief. I just rub a little in a couple of times a day and I feel human again"

David R, SA

"If I ever get a headache I rub a little Cape Lavender Pulse Point Oil into my temples and within 20 minutes the pain has completely gone. I love the handy roll-on bottle too, I can carry it everywhere"

Jan B, VIC

"My 77 year old mother had a dreadful skin rash all over her abdomen. I gave her some Cape Lavender Healer and a few days later the rash had disappeared"

Julie L, WA

"I work in the catering industry and always keep a jar of Cape Lavender Healer in the kitchen. It's the best thing I've found for small burns and cuts"

Louise G, WA

"I love your products and your realistic prices"

Peter S, QLD

"I bought the Cape Lavender Sleep Balm for my daughter who is an air hostess. The constant travel and adjusting to different time zones made it very hard for her to get a good night's sleep and nothing seemed to help until she used your balm"

Rita M, NSW

gourmet HIGH TEA at CAPE LAVENDER

Elegance, style, luxury and relaxation are all synonymous with the very English tradition of afternoon tea - as are gourmet sandwiches, cakes, scones, petit fours, jam and lashings of cream.

The tradition of high tea began in the mid 1700s as an afternoon meal usually served between 3 and 4 o'clock. Initially, it was a meal for the working man, taken standing up or sitting on tall stools and thus it was termed 'high'. Tea with cakes, scones, even cheese on toast would have been served.

Gradually, this afternoon meal became more known as an important event on the social calendars of Ladies and Gentlemen, rather than a meal for the working man. For these 'leisure classes', high tea served a practical purpose, allowing Ladies and Gentleman the opportunity of a substantial meal before attending the theatre. From there the practice of inviting friends to afternoon tea became a popular practice by hostesses as a social gathering.

It was around this time that John Montagu, the Fourth Earl of Sandwich, had the idea of placing meat and other fillings between two slices of bread. Thus, the high tea sandwich was created.

WINE TASTING

at CAPE  LAVENDER

Cape Lavender is proud to have created the world's first range of Lavender wines.

For nearly four years our winemaker experimented with ways in which the unique herbal qualities of our Lavender could be integrated into our wines. We were keen to integrate these herbal qualities because we believed it would enhance the flavour, taste and style of our premium wines in a unique way. We were also looking for a range of special wines to compliment the food offered in our restaurant. In 2002 our winemaker finally made the breakthrough to create this quintessential Cape Lavender experience. For each vintage of lavender wine, we need to harvest the lavender as well as the fruit of the grape vine. This entails firstly tending the lavender throughout the year through a well developed management program to ensure the flowers will be of the highest quality. When the flowers are at their peak they are harvested, dried, stripped, sieved and packaged. With the skill of an alchemist our winemaker then brings the grapes and flowers together to produce our unique lavender wines.

Lavender Wine

Lavender Wine 2008

BOTTLE \$25 CASE \$270

This chenin blanc based wine has a lifted floral and lavender fragrance. The fruit sweetness is balanced by crisp acidity and dry finish. Flavours of green apple and pear linger on the palate.

Sparkling Rose 2009

BOTTLE \$30 CASE \$325

Aromas of morello cherries and the first mandarins of the season follow through on the palate in this sparkling wine based on free-run shiraz juice. To be enjoyed well chilled.

Estate Range

Estate Sauvignon Blanc Semillon 2009

BOTTLE \$20 CASE \$215

A fresh aroma of passionfruit and citrus complement a palate of nectarine and lime with floral notes. A crisp and lively wine with fresh fruit characters and a clean finish. An ideal accompaniment to seafood or Asian cuisine.

Drink now or cellar for 2-5 years

Estate Cabernet Merlot 2008

BOTTLE \$20 CASE \$215

A palate of rich plum and berry flavours with a seductive lightness in the mouth. Tannins are tight and firm. Perfect with Italian cuisine, cheese or on its own. Drink now or cellar for 5-8 years.

Estate Shiraz Merlot 2008

BOTTLE \$20 CASE \$215

Smooth and light with berry and white pepper flavours and a soft palate. Lightly oaked and with very little tannin, this is an excellent wine to drink now or cellar for 2-4 years.

Estate Moscato 2011

BOTTLE \$20 CASE \$215

A sweet, well balanced Cabernet Sauvignon blend with aromas of fresh berries and toffee apple. A lively palate of passionfruit and strawberries make this the perfect aperitif on its own or over a glass of ice in summer! Best enjoyed in the first 12-18 months after bottling..
